Subject: Official USPTO Notification: U.S. Trademark Application SN 97455821

OFFICIAL USPTO NOTICE OF REGISTRATION

U.S. Application Serial No. 97455821

Mark: PARA GROUP

Owner/Holder: Para Group LLC

Docket/Reference No.

Issue Date: July 18, 2023

Your mark has registered with the United States Patent and Trademark Office (USPTO). Your United States trademark registration number is 7113228.

View and download your registration certificate using the [Trademark Status & Document Retrieval \(TSDR\) database](#). If you have difficulty accessing the registration certificate, contact the Trademark Assistance Center (TAC) at TrademarkAssistanceCenter@uspto.gov or 800-786-9199 (select option #1). New registration certificates are issued electronically. For more information, visit the USPTO's [electronic registration certificates webpage](#).

If your registration certificate contains an error that would not require republication to correct it, you can use the Trademark Electronic Application System (TEAS) [Section 7 Request for Amendment or Correction of Registration Certificate \(Section 7\) form](#) to request correction of that error.

Order presentation copies online:

You can order a printed presentation copy of your registration certificate using the TEAS [Order Trademark Presentation Copy of Registration Certificate form](#). The presentation copy is suitable for display and framing. For more information on the availability and cost of presentation copies of trademark registrations, visit the USPTO's [electronic registration certificates webpage](#).

Requirements to maintain your registration:

- File your registration [maintenance documents](#) at the required times.
- **If you do not submit your maintenance documents at the required times, your registration will be cancelled.** If that happens, you must file a new application. Filing a new application doesn't guarantee your trademark will register again.

Please note the following:

- You may receive unsolicited offers and notices from third-parties not affiliated with the USPTO. All official correspondence about your trademark registration will be from the "United States Patent and Trademark Office" in Alexandria, Virginia, and all emails will be from the domain "@uspto.gov." Visit our [misleading notices webpage](#) for more information.
- If your registration covers products that are likely targets for international counterfeiters (e.g., popular or high-demand products), consider applying to record your trademark registration with U.S. Customs and Border Protection (CBP).

Recording your trademark registration helps CBP detain and seize imported goods if they violate your recorded trademark. Visit our [recording trademark registrations with CBP webpage](#) for more information.

- To help ensure that you receive emails from the USPTO, keep your email address(es) current using the [Change Address or Representation \(CAR\) form](#) and add USPTO email addresses to your contacts or "Safe Senders" list.
- If your trademark registration identifies goods and/or services not in use with your trademark, you can use the [Section 7 form](#) to request deletion of any goods and/or services not in use with your trademark. There's no fee to file a Section 7 form if you file the Section 7 form before you file your required registration maintenance documents, and you are only deleting goods, services, or classes. Other amendments and corrections may require a filing fee. For information on amendments and corrections after registration, see [TMEP §1609](#).

If you have any questions about this notice, contact TAC at TrademarkAssistanceCenter@uspto.gov or 800-786-9199 (select option #1).
